Senator Thomas H. Kuchel announced this week that city delivery service has been authorized starting next Monday for 172 family residences located on various blocks, including South Purche, South Daphne, South Spinning ave-

nues, West 170th, West 171st, West 173rd streets, West 169th place, South Haas avenue, and South Wilton place. Kuchel said he was notified to this effect by Regional Director Verne Scoggins.

**ANTI-INCORPORATION FORCES SCHEDULE LOMITA MEETING**

Opposition to incorporation in Lomita is continuing to organize, with a public meeting scheduled for Tuesday, August 14, at 8 p.m. in the Lomita park auditorium. Lou A. Gretz, representing the California League of Unincorporated Communities, will be the principal speaker. A local attorney, Ben F. Gray, will also speak, according to L. E. Ross, chairman of the Citizens Committee Opposing Incorporation.

"This meeting is being sponsored by the Citizens Committee for the purpose of giving public expression of views on incorporation," Ross said.

In the meantime, the committee has distributed folders entitled "Incorporate Lomita? No!"

"Our last year's total tax rate was \$6.59 per \$100," the folder reads in part. "If we incorporate our estimates show our tax bill will be over \$8 per \$100."

Pro-incorporation forces claim that there will only be one penny difference in the tax picture.

The folder continues: "Don't be fooled believing that your tax will be less if we incorporate. Promoters of this project claim our city tax rate would be 50 cents per hundred. Our estimates show it would be at least \$1.40 added to our present tax rate. . . . Surrounding towns all have city tax rates ranging from \$1.06 to \$1.37 and they all have assessed valuations than Lomita. We have only 2.2 square miles which is nearly all built up, with no room for expansion."

Opponents to incorporation also maintain that if Lomita incorporates and hires the county to do the work, the job will not be done any better or quicker than it is now, but that it will cost much more.

Mailing Letters Home from Junior Red Cross leadership training center in progress at Camp Seely, Crestline, Calif., are Torrance high school delegates Milton Bowden and Martha Gatewood. They are among 500 students from the Los Angeles area taking part in the annual camping program, geared to develop outstanding leadership ability, and financed entirely by Junior Red Cross funds.

Topic for Sunday 'The Soul of God'

"Holy, holy, holy, is the Lord of hosts: the whole earth is full of His glory." These words of Isaiah (6:3), praising God, are the Golden Text of the Lesson-Sermon on "Soul" in all Christian Science churches on Sunday.

The local First Church of Christ is located at 218th street at Manual avenue.

A reference from one of the two preachers, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, reads, "Day may decline and shadows fall, but darkness flees when the earth has again turned upon its axis. The sun is not affected by the revolutions of the earth. So Science reveals Soul as God, untouched by sin and death,—as the central Life and intelligence around which circle harmoniously all things in the systems of mind" (p. 310).

Flower Show Sponsored by Garden Club

The Greenthumbers Garden Club sponsored a junior flower show recently at the Seaside elementary school. The Greenthumbers garden club is an active member of the Federation of California Garden-club.

In preparing the 7 and 8 grades for the flower show, the Greenthumbers sponsored two classes by Mrs. Charlotte Maben, one on floral arrangements and one on miniature dish gardens. The Greenthumbers received the full cooperation and enthusiasm of Frank Simone, a teacher at the school.

The entire school participated in the flower show. The entries consisted of miniatures, floral and candle arrangements, low containers, tall vases, bottles, foliage, colonial, baskets and potted plants.
